

## **NSRLP Speaker/Participation Request Form**

We maintain a NSRLP Speakers Bank which includes the names and details of SRL's who we have worked with before – on media or other events – and who are willing to speak at professional conferences, to law school classes, and to participate on working groups or act as “testers” giving feedback on new materials developed for SRL's.

SRL's in the Speakers Bank are offering their time for free because they are very motivated to enhance the justice system. They have clear and practical suggestions for improvements to the justice system and are willing to share their own experiences. However, we do ask that you cover any out of pocket expenses (eg travel to your event) that a speaker or participant incurs.

NSRLP acts as the “matchmaker” to identify a SRL from our Speakers Bank to meet your needs/ audience, and establish the initial introductions.

This service has already been used by (eg) the Canadian Court Administrators Network (CCAN), the National Action Committee on Access to Justice, and the British Columbia Dispute Resolution Tribunal working group, as well as several law schools.

We look forward to working with you to identify a speaker(s) and/or group participant that will best meet the needs of your audience.
